SUBJECT: EL SALVADOR SUPPORTS GLOBAL MARITIME PARTNERSHIP

REF: STATE 050488

Post delivered reftel demarche on May 19 to Carlos Borja, Executive Director of El Salvador's Maritime Port Authority (AMP). Borja noted that the AMP is a young institution still in the process of drafting regulations to implement its mandate for oversight of El Salvador's ports and maritime policy. The AMP (www.amp.gob.sv) would welcome activities under the Global Maritime Partnership to help strengthen its capacity.

MILGROUP also delivered reftel talking points to Captain Walter Ricardo Rivera Aleman, Chief of the Salvadoran Navy. Post will report any substantive reply.
